

Head of Energy and Environment Unit

Dr. Loh Soh Kheang

Tel : +603-8769 4456 @ 4652

Email : lohsk@mpob.govmy

INTEREST:

- Biochemistry, catalysis, energy and environment, sustainable development, climate change, circular economy

EDUCATION:

- PhD Chemistry, National University of Singapore (NUS)

AREA OF RESEARCH:

- First, second and third generation biofuels
- Biorefinery (resource diversification, optimisation and process integration)

AREA OF EXPERTISE:

- Bioenergy from oil palm biomass, biogas capture and utilization from palm oil mill effluent, zero discharge, bioorganic fertilizers from spent bleaching earth, biochar, food-grade lubricants
