

## **Research Officer**

### **Mohd Faris Mustafa**

**Tel: +603-8769 4995**

**Email : mohd.faris@mpob.gov.my**

#### **INTEREST:**

- New technology improvements for the palm oil mill process
- Next-generation water and wastewater treatment technology
- Enhancement of the Air Pollution Control System for the Palm Oil Mill

#### **EDUCATION:**

- Master of Engineering (Chemical), UTM
- Bachelor of Engineering (Chemical-Polymer), UTM

#### **AREA OF RESEARCH:**

- Palm oil mill process technology
- Water and wastewater treatment technology
- Air pollution control system for palm oil milling

#### **AREA OF EXPERTISE:**

- Crude palm oil processing
- Water and wastewater treatment systems
- Isokinetic measurement for particulate matter in palm oil mill
